Dear Janet

In my Oral Assembly Questions session on 14 May, I stated I would write to you regarding the number of Community and Town Councils who have a website.

Out of 735 Councils, 354 Community and Town Councils now have a website (around 48%).

In March 2013, a £500 Welsh Government grant was made available to every Council to develop their own website. We will continue to promote the availability of this funding to Community and Town Councils.

Regards  
Lesley
