Development not permitted

A.1 Development is not permitted by Class A if—

- (a) the height of any part of the new building erected would exceed—
 - (i) if within 10 metres of a boundary of the curtilage of the premises, 5 metres;
 - (ii) in all other cases, the height of the highest building within the curtilage of the premises or 15 metres, whichever is lower;
- (b) the height of the building as extended or altered would exceed—
 - (i) if within 10 metres of a boundary of the curtilage of the premises, 5 metres;
 - (ii) in all other cases, the height of the building being extended or altered;
- (c) any part of the development, would be within 5 metres of any boundary of the curtilage of the premises;

(1) O.S. 1995/418. Gwnaed diwygiadau perthnasol gan O.S. 2006/1386 (Cy. 136), O.S. 2007/952 (Cy. 83), O.S. 2009/2193 (Cy. 185), O.S. 2012/1346 (Cy. 167).

- (d) the gross floor space of any new building erected would exceed 100 square metres;
- (e) the gross floor space of the original building would be exceeded by more than—
 - (i) 10% in respect of development on any article 1(5) land or within a World Heritage Site, or 25% in any other case; or
 - (ii) 500 square metres in respect of development on any article 1(5) land or within a World Heritage Site, or 1,000 square metres in any other case;
 whichever is the lesser;
- (f) the development would lead to a reduction in the space available for the parking or turning of vehicles; or
- (g) the development would be within the curtilage of a listed building.

Conditions

A.2 Development is permitted by Class A subject to the following conditions—

- (a) the development must be within the curtilage of an existing industrial building or warehouse;
- (b) any building as erected, extended or altered may only be used—
 - (i) in the case of an industrial building, for the carrying out of an industrial process for the purposes of the undertaking, for research and development of products or processes, or the provision of employee facilities ancillary to the undertaking;
 - (ii) in the case of a warehouse, for storage or distribution for the purposes of the undertaking or the provision of employee facilities ancillary to the undertaking;
- (c) no building as erected, extended or altered may be used to provide employee facilities—
 - (i) between 7.00 pm and 6.30 am, for employees other than those present at the premises of the undertaking for the purpose of their employment, or

- (ii) at all, if a notifiable quantity of a hazardous substance⁽¹⁾ is present at the premises of the undertaking;
- (d) any new building erected must, in the case of article 1(5) land or land within a World Heritage Site, be constructed using materials which have a similar external appearance to those used for the existing industrial building or warehouse; and
- (e) any extension or alteration must, in the case of article 1(5) land or land within a World Heritage Site, be constructed using materials which have a similar external appearance to those used for the building being extended or altered.

Interpretation of Class A

A.3 For the purposes of Class A—

- (a) where two or more original buildings are within the same curtilage and are used for the same undertaking, they are to be treated as a single original building in making any measurement;
- (b) “original building” does not include any building erected at any time under Class A; and
- (c) “employee facilities” means social, care or recreational facilities provided for employees of the undertaking, including crèche facilities provided for the children of such employees.
