Subject: Consultation on the Holiday Caravan Sites (Wales) Bill

Christine Chapman AM
Chair, Communities, Equality and Local Government Committee,
National Assembly for Wales

Dear Ms Chapman,

My colleague and I are Co-Chairs of Flintshire Tourism Association as well as running our own individual tourism businesses within Flintshire. Our group represents a number of tourism businesses of which Holiday Parks are just one - albeit a very large section drawing in a large tourism revenue stream to this county.

I write in response to the consultation on the Holiday Caravan Sites (Wales) Bill. The BH&HPA has responded on behalf of all of its members and we endorse their evidence - already submitted - to you.

I ask please that you ensure our members' businesses are not placed at financial disadvantage, jeopardising the direct and indirect employment we sustain.

Yours sincerely,

Name Christine Artus / Sandra Blackwell
