Dear William

P - 04 - 335 The Establishment of a Welsh Cricket Team

Thank you for your letter of 7 October on behalf of the Petitions Committee which seeks my views on establishing a Welsh international cricket team.

I note the matter raised by the petitioners, however, the subject of whether Wales has a national cricket team is a matter for Welsh Cricket in consultation with the England and Wales Cricket Board and is not a matter for Government.

Best wishes

Huw
