

P-04-660 The Additional Pressures on Funding for Education Provision Faced by Sparsely Populated Areas: Correspondence from the Petitioner to the Clerking Team. 30.11.15

Dear Jessica

I am attaching two documents in response to Huw Lewis's letter. The first is our overall view, the second is an example of the effects of cuts in a Powys rural community called Beguildy.

I will bring hard copies with me tomorrow

Thanks for your help

Mary
