**Draft driftnets regulation COM(2014)265**

Thank you for your letter of 22 July, which we considered at our meeting on 15 September.

Your letter refers to a September meeting with representatives of the small scale fishing industry that are using driftnets in the UK. We would very much appreciate an update on this meeting including any actions arising, once it has taken place.

We look forward to hearing from you in due course.

Yours sincerely

*David Melding*
