Dear Mark,

Health and Social Care Committee – Public health implications of inadequate public toilet facilities

Thank you for copying me into your letter to the Chair of the Communities, Equalities and Local Government Committee following the publication of the Health and Social Care Committee's report of the evidence it received in respect of its one day inquiry to consider the public health implications of inadequate public toilet facilities.

I welcomed the opportunity to provide written evidence to the Committee in respect of this inquiry. The publication of your report of evidence will raise the profile of an issue that affects the health, dignity and quality of people's lives.

Kind Regards
Lesley
