These Regulations extend to England and Wales. They also extend to Scotland and Northern Ireland to a limited degree.

Regulation 7 provides that Part 6 of the 2010 Regulations has effect in relation to plans and projects affecting European sites in the United Kingdom, and regulation 19 provides that the assessment and review provisions of that Part apply in relation to plans and projects not specifically mentioned in that Part.

Regulation 8 substitutes regulation 9 of the 2010 Regulations, to provide that public bodies must exercise their conservation functions so as to comply with the Habitats Directive and the Birds Directive.
